Sir,

Subject - Maintenance charges of State Fund Roads lying within the Municipal limits

In continuation of this office No C 2-3146/28-29 dated 12th June 1929, re the debiting of the above to the Public Works Department, I have the honor to state that the Comptroller, in his Memo No 1649 A/D dated 14th June 1929, has issued instructions to the marginally noted Treasury Officers to adjust the said charges by transfer debit to the drawing account of the several Municipalities. In this connection, I may invite you kind reference to the marginally noted letters from my office addressed to you, wherein a recommendation has been made to Government to exempt the several Municipalities from bearing the above charges as they are financially very poor and to request you to kindly issue instructions to the Comptroller to stay the orders of adjustment which he issued to the several Treasury Officers, pending orders of Government in the matter.
